

FOR IMMEDIATE RELEASE

A STATEMENT FROM THE MANTLE FAMILY

The Mantle Family wishes to celebrate the announcement that Guernsey's has been given the special responsibility of auctioning our Mickey Mantle treasures.

Mickey remains in our hearts and thoughts every day as Husband and Dad. We know that "The Mick" also lives on in the memories of millions of fans as the great number "7" as do all of the accomplishments that the number "7" represents. We also well recognize Mickey's unique place in history. With that in mind, and after much soul searching, we decided to share some of our memories with you.

As the three of us spent time putting together this collection and catalogue, we recalled wonderful times and were overwhelmed by memories. Some made us cry, some made us laugh. In the end, we knew that we had made the right decision.

Every item we chose for this auction touched our lives in some way. We think each one represents an important and very special part of Mickey's life, career, and legacy.

We hope that our choices will touch your lives in some way as well.

Merlyn, David, and Danny Mantle
